We also want to congratulate our TASSNJ member Doug on the 15th Year of his business, Home Helpers of Fort Lee! While the party celebrating the 15th anniversary took place in September, we still wanted to share this wonderful achievement with all of our newsletter subscribers!

15TH ANNIVERSARY PARTY ON SEPTEMBER 21

Home Helpers of Fort Lee is so pleased to share our 15th Anniversary celebration with all our clients, our caregivers, nurses, office staff and many others who made our agency such a success. It will be a drop in event from 12 pm to 5 pm and there will be wonderful food, drink and surprises for all.

Home Helpers of Fort Lee started after Doug was taking care of his elderly parents at Waterford Towers in Edgewater and he realized that he liked the idea of helping other seniors also. But as a CPA and entrepreneur without any medical background, he needed a franchisor like Home Helpers to provide the business software to begin a business so that he only had to procure clients and caregivers to start. After a very rough first year that required significant time for networking to become known as an agency that people could trust with their parents' care, the agency started to rapidly grow to where we are now. We have accumulated various independent award designations such as "CARING STAR" and "PROVIDER OF CHOICE-BEST OF HOME CARE". These awards were entirely due to the superb, compassionate caregivers, nurses and office staff that have worked for quite a few years with Home Helpers.
